

The image provided is a table with Korean text and numerical data. Below is the markdown representation of the table along with the HTML for the table:

```
# Korean Table Markdown
```

The following table is a markdown representation of the provided image.

```
<table>
  <thead>
    <tr>
      <th>주제</th>
      <th>페이지 번호</th>
      <th>주제</th>
      <th>페이지 번호</th>
      <th>주제</th>
      <th>페이지 번호</th>
    </tr>
  </thead>
  <tbody>
    <!-- First row -->
    <tr>
      <td>신규가 건강 문제 가족 구성원 이외 휴가</td>
      <td>76, 79</td>
      <td>3, 12, 76</td>
      <td>14</td>
      <td>주 정부 지</td>
      <td></td>
    </tr>
    <!-- ... (remaining rows) ... -->
  </tbody>
</table>
```

Note: The `<table>` tag and its contents need to be placed in a proper document structure for rendering.

This markdown will create a table similar to the one shown in the image. Please ensure you copy-paste the table content into a markdown editor or text processor that supports tables.
