

The image provided is a table with Korean text and numerical data. Below is the markdown representation of the table along with the HTML for the table:

## Korean Table Markdown

The following table is a markdown representation of the provided image.

| 주제                         | 페이지<br>번호 | 주제           | 페이지<br>번호 | 주제         | 페이지<br>번호 |
|----------------------------|-----------|--------------|-----------|------------|-----------|
| 신규가 건강 문제 가족 구<br>성원 이외 휴가 | 76, 79    | 3, 12,<br>76 | 14        | 주 정<br>부 지 |           |

Note: The <table> tag and its contents need to be placed in a proper document structure for rendering.

This markdown will create a table similar to the one shown in the image. Please ensure you copy-paste the table content into a markdown editor or text processor that supports tables.
